

PRESS RELEASE

For Immediate Release: August 19th, 2023

Division Contacts:

Eric Tyree, Director of Maintenance and Transportation

Christina Lemaster, Transportation Manager

(540) 965-1809

Allegheny Highlands Public Schools 2023-2024 School Bus Routes and Schedules

Allegheny Highlands Public Schools' bus routes and schedules for the 2023-2024 school year are listed below. Please remember that school begins Wednesday, August 23rd 2023.

Parents/students are encouraged to review the bus routes and schedules for their child(ren) and identify the child(ren)'s bus number and pick-up/drop-off time. Please note that some bus numbers and routes have changed from the previous school year.

The bus routes and schedules were developed from our student database. The schedule does not list individual student stops. If you need assistance, please contact the Transportation Department at 540-965-1824.

Students should be at their bus stop at least 10 minutes prior to the expected arrival time of the bus.

In the interest of safety and order, it is important that all students comply with the directions of bus drivers, school officials and follow all school bus safety rules. Drivers may

assign seats and require students to follow specific procedures at bus stops prior to boarding. A list of safety rules is included in the Allegheny Highlands Public Schools Parent-Student Handbook which is distributed to each student during the first week of school. Parents should review the rules with their child(ren) and stress the importance of following the rules.

Again, if you have any questions concerning bus routes or other transportation issues, please contact the Transportation Department at 540-965-1809.
